

What's New?

While we navigate through the constantly changing business climate, we are business as usual and welcoming new owners.

We are video taping all of our vacant properties and posting on multiple sites to ensure saturation of the marketplace where tenants search.

We are diligently processing move ins/move outs and we are actively soliciting tenants for all vacancies.

If you have a vacancy coming up, please rest assured we will fill it. We are on the job to serve you.

Referring your friends and associates to PLUS is the highest compliment we can receive.

Thank you. Stay Safe.
